

## 2010-2011 Academic Goals and Land Trust Plan

**Academic Goal #1**-Fossil Ridge Intermediate School will sustain and evaluate our school-wide intervention structure (REAL Time/Homebase) that was implemented during the 2009-2010 school year that increases student learning and achievement for all students. Necessary modifications will be made to increase intervention effectiveness.

**Academic Goal #2**-Fossil Ridge Intermediate School will increase teacher effectiveness by providing additional training and instruction for content specific departments. (Sustain an on-going effort to provide additional training for core departments).

**Academic Goal #3**- Fossil Ridge Intermediate will sustain and evaluate our math and reading intervention programs for identified low-performing readers and students in math based upon on-going assessments.

**Academic #4**-Fossil Ridge Intermediate will provide an expanded assistance program for ELL students.

The Fossil Ridge Intermediate School Land Trust Plan will improve student learning by committing to the following:

1. Funding a **Learning Center aide** for 17.5 hours per week who provides direct academic assistance to students who are falling behind academically. This is a critical third tier intervention in our Pyramid of Intervention structure at Fossil Ridge Intermediate.
2. Funding **1 period of a certified teacher's salary** that allows us to decrease class sizes in core-content areas.
3. Funding tuition, travel, lodging, and substitutes for a core department and various teachers to attend a **training/conference** focused on improving student learning.
4. Funding an **hourly employee** to provide additional **academic support for ELL students** before and after school.
5. Funding the purchase of an hourly employee to manage our **Lunch and Learning** intervention step that occurs during each of our 2 lunch periods throughout the year.
5. Funding the purchase of a **professional development** publication and related in-service training expenses for continued staff training on effective teaching and learning practices.
